*"I'm loving the magazine, it's high quality, great content! First issue with only 52 mailed to past clients, I received three buyer calls and a referral! Other clients have also texted and called telling me they love it. So thank you for creating it! I've now closed three sales off two magazine deliveries. Best investment!"*

Very well produced and best customer service ever. Fast responsive and personal. Have nothing critical to say! It's perfect!"**

**"My clients rave to me about this publication! I receive no less than three calls at every issue and at least one referral with every other issue. I just closed a \$1,000,000 sale from a referral from the last mailing."**
