

## CLOUD CONNECTED, APP DRIVEN DEVICES

# ConnectKey® Technology

Enable your teams to do their work from anywhere with Xerox® ConnectKey® **powered printers and copiers**. With integrations for popular apps and services like Google Docs, Dropbox and Microsoft Office 365 you can bring a mobile-first approach to your agents.

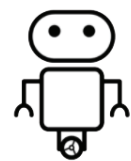

## IT HARDWARE AND SERVICES

### Xerox® IT Services

Xerox Business Solutions Southwest can outfit your agents with the latest laptops from HP, Dell, Lenovo and more - and provide the technical support your team's need so work never gets interrupted!

## AUTOMATE YOUR WORK

# Robotic Process Automation

Ready to put mundane tasks on autopilot? Our experts can deliver a more efficient workplace with Robotic Process Automation (RPA) to help speed up everyday processes.
